Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report.

I have reviewed and considered the information contained in the Final Environmental Impact Report prepared for this proposed solid waste facilities permit or the project which this proposed permit is a part, including the environmental effects of the project as described in the Final Environmental Impact Report.

On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I adopt as the Department's own, the CEQA findings and Statement of Overriding Considerations, adopted by the Orange County Board of Supervisors for this project and I concur in the issuance of the Revised Full Solid Waste Facilities Permit for Olinda Alpha Landfill as proposed.
